

For Users of Composite Materials

Better use BÜFA!
One-Stop-Shopping

- Engineer Consulting
- Technical Support
- Trusted Quality
- BÜFA Added Value

BÜFA – Producer of Composite Specialties

Are you facing technical challenges or do you need technical support for your project? We offer expert, competent advice and specialists in process engineering. Directly on site we support and assist you with proven BÜFA quality.

With innovative solutions, we focus on sustainable, customer-oriented products and services. Your satisfaction is important to us!

Engineer Consulting

Our engineers are at your side with

- Industry expertise
- Expert advice
- Specialized knowledge in process technology

Technical Support

Our customer service will support you with technical expertise on site

- Individual product selection
- Support during pre-series production
- Application tests

Trusted Quality

BÜFA is your complete supplier for the production of composite materials. We deliver everything you need for the production of composite components

- A standard portfolio in stock
- Tailor-made reactive resin specialties
- Reliable "Made in Germany" quality
- Outstanding innovations

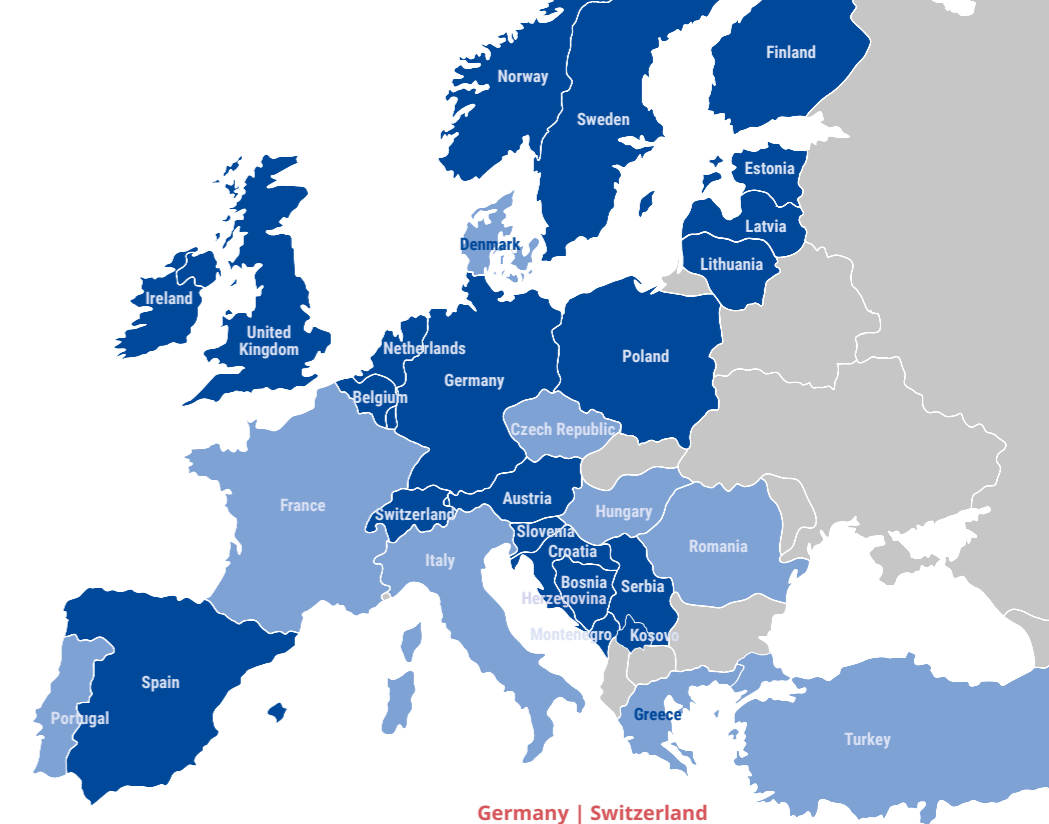

BÜFA Added Value

Our top priority is innovative products and system solutions. We create added value for you through our own research and development

- Quality standards and quality checks
- High-quality testing equipment
- Modern laboratories
- Compliance with regulations and laws
- Own machine technology BÜFA Tec
- Customer training
- Worldwide "on-time" deliveries
